An Oklahoma Pioneer.

THE ATCHISON, TOPEKA & SANTA FÉ RAILROAD, the greatest modern civilizer and one of the largest railroad systems in the world, traverses Oklahoma north and south from Kansas to Texas, passing through the center of the Indian Territory and through the greatest length of that part now open to settlement. Thus it affords a direct market for the garden spot of America to the deep water harbors on the Gulf and the great inland markets—Kansas City, Chicago, St. Louis and Denver.

This road may be said to have made Oklahoma; for if there had been no Santa Fe there would have been no Oklahoma, as in this age of railroads, regions no matter how favored by nature, without railroad accommodations are never sought after by settlers. Even if the country had been opened to settlement, it would have been but sparsely populated, and its wonderful resources would have gone for years undeveloped. As it was, however, with a great enterprising railroad running through the heart of the country, thousands of people all over the United States saw that Oklahoma was destined to become a rich agricultural region, in easy reach of markets already established.

The opening day of April 22d, 1889, has become historical. On that day this railroad had arranged its forces in readiness to accommodate the anxious thousands; and from the time the sun reached its zenith, train after train within short distances of each other conveyed the settlers to the promised land. No such migration of people had ever before occurred. Between noonday and sunset fifty thousand people had been thus transported. A new state had been planted. Towns of eight and ten thousand sprung into existence as if by magic. The transformation wrought was marvelous. The setting sun of April 21st shone only on the wild solitudes of nature; on April 22d its last rays shed their luster over a thickly populated country.

In this gigantic and successful undertaking of populating a vast country within a few hours, the Santa Fe cannot be too highly praised. A thing never recorded in history before was accomplished, not only without an accident of any kind, but with great expedition and with admirable management. All the building material and subsistence in thousands of freight cars had to be brought, and the alacrity and promptness with which it was handled was remarkable. Since the opening the population of the territory has doubled, and the business which the Santa Fe now does in Oklahoma has become so voluminous as to necessitate a great increase in the working force.

The Santa Fe road, by reason of its extensive system of branch and main lines, gives Oklahoma the shortest outlet to all parts of the United States and the world. The main line between Chicago and Galveston passes through the center of the territory, reaching Guthrie, the capital, and Oklahoma City, Norman and the other principal towns in the territory, which will be the distributing points for the Cherokee outlet, the Iowa, Sac and Fox, Kickapoo, Pottawatomie, Seminole and the other adjacent Indian lands when opened to white settlement

It has always been the policy of the Santa Fe to pave the way for white settlement in the western country, thus supplying the demands of the people of the new countries, and giving them all the great markets of the world, via Chicago, St. Louis, Kansas City, Superior, Neb.; Denver, Col.; Galveston, Tex.; Dallas, Tex.; Fort Worth, Tex.; Houston, Tex.; Albuquerque, N. M.; El Paso, Tex.; Guaymas, Mexico; Deming, N. M.; San Diego, Cal.; Los Angeles, Cal.; and San Francisco, Cal. Thus it is readily seen why this system has become the great popular line, as it has done so much for the upbuilding of the great west.

The Santa Fe is noted for the excellence of its passenger service, its thorough equipment, and the courtesy of its employes. Its principal lines are rock-ballasted, and the general accommodations are of a superior character.

The people of the West, and in particular the people of Oklahoma, feel under obligations to it, and will always kindly remember this great system for what it has done.

ACT OF ORGANIZATION.

AN ACT to provide a temporary government for the Territory of Oklahoma, to enlarge the jurisdiction of the United States courts in the Indian Territory, and for other purposes.

RELATING TO OKLAHOMA PROPER—BOUNDARIES DEFINED.

SECTION 1. That all that portion of the United States now known as the Indian Territory, except so much of the same as is actually occupied by the five civilized tribes, and the Indian tribes within the Quapaw Indian agency, and except the unoccupied part of the Cherokee Outlet, together with that portion of the United States known as the Public Land Strip, is hereby erected into a temporary government by the name of the Territory of Oklahoma. The portion of the Indian Territory included in said Territory of Oklahoma is bounded by a line drawn as follows: Commencing at a point where the ninety-eighth meridian crosses the Red River, thence by said meridian to the point where it crosses the Canadian River, thence along said river to the west line of the Seminole country, thence along said line to the north fork of the Canadian river, thence down said river to the west line of the Creek country, thence along said line to the northwest corner of the Creek country, thence along the north line of the Creek country to the ninety-sixth meridian, thence northward by said meridian to the southern boundary line of Kansas, thence west along said line to the Arkansas river, thence down said river to the north line of the land occupied by the Ponca tribe of Indians, from which point the line runs so as to include all the lands occupied by the Ponca, Tonkawa, Otoe, and Missouria, and the Pawnee tribes of Indians until it strikes the south line of the Cherokee Outlet which it follows westward to the east line of the State of Texas, thence by the boundary line of the State of Texas to the point of beginning; the Public Land Strip, which is included in said Territory of Oklahoma, is bounded east by the one hundredth meridian, south by Texas, west by New Mexico, north by Colorado and Kansas. Whenever the interest of the Cherokee Indians in the land known as the Cherokee Outlet shall have been extinguished and the President shall make proclamation thereof, said Outlet shall thereupon, and without further legislation, become a part of the Territory of Oklahoma. Any other lands within the Indian Territory, not embraced within these boundaries, shall hereafter become a part of the Territory of Oklahoma, whenever the Indian nation or tribe owning such lands shall signify to the President of the United States in legal manner its assent that such lands shall so become a part of said Territory of Oklahoma, and the President shall thereupon make proclamation to that effect.

Congress may at any time hereafter change the boundaries of said Territory, or attach any portion of the same to any other State or Territory of the United States, without the consent of the inhabitants of the Territory hereby created: *Provided*, That nothing in this act shall be construed to impair any right now pertaining to any Indians or Indian tribe in said Territory under the laws, agreements, and treaties of the United States, or to impair the rights of person or property pertaining to said Indians, or to affect the authority of the Government of the United States to make any regulation or to make any law respecting said Indians, their lands, property, or other rights which it would have been competent to make or enact if this act had not been passed.

EXECUTIVE POWER—HOW VESTED.

SEC. 2. That the executive power of the Territory of Oklahoma shall be vested in a governor, who shall hold his office for four years, and until his successor shall be ap-

pointed and qualified, unless sooner removed by the President of the United States. The governor shall reside within said Territory; shall be commander-in-chief of the militia thereof; he may grant pardons for offenses against the laws of said Territory, and reprieves for offenses against the laws of the United States, until the decision of the President can be made known thereon; he shall commission all officers who shall be appointed to office under the laws of said territory, and shall take care that the laws be faithfully executed.

SEC. 3. That there shall be a secretary of said Territory, who shall reside therein and hold his office for four years unless sooner removed by the President of the United States; he shall record and preserve all the laws and the proceedings of the Legislative Assembly hereinafter constituted, and all acts and proceedings of the governor in his executive department; he shall tramsmit one copy of the laws and journals of the Legislative Assembly, within thirty days after the end of each session thereof, to the President of the United States and to the Secretary of the Interior and, at the same time, two copies of the laws and journals of the Legislative Assembly to the Speaker of the House of Representatives and the President of the Senate for the use of Congress; and in case of the death, removal, resignation, or other necessary absence of the governor from the Territory, the secretary shall execute all the powers and perform all the duties of governor during such vacancy or absence, or until another governor is appointed and qualified.

LEGISLATIVE POWER—HOW VESTED.

SEC. 4. That the legislative power and authority of said Territory shall be vested in the governor and Legislative Assembly. The Legislative Assembly shall consist of a Council and a House of Representatives. The Council shall consist of thirteen members, having the qualifications of voters as hereinafter prescribed, whose term of service shall continue two years. The House of Representatives shall consist of twenty-six members, possessing the same qualifications as prescribed for members of the Council, and whose term of service shall continue two years, and the sessions of the Legislative Assembly shall be biennial and shall be limited to sixty days' duration: *Provided, however*, that the duration of the first session of said Legislative Assembly may continue one hundred and twenty days.

TEMPORARY GOVERNMENT.

That for the purpose of facilitating the organization of a temporary government in the Territory of Oklahoma, seven counties are hereby established therein, to be known, until after the first election in the Territory, as the First County, the Second County, the Third County, the Fourth County, the Fifth County, and the Sixth County, the boundaries of which shall be fixed by the governor of the Territory until otherwise provided by the Legislative Assembly thereof. The county seat of the First County shall be at Guthrie. The county seat of the Second County shall be at Oklahoma City. The county seat of the Third County shall be at Norman. The county seat of the Fourth County shall be at El Reno. The county seat of the Fifth County shall be at Kingfisher City. The county seat of the Sixth County shall be at Stillwater. The Seventh County shall embrace all that portion of the Territory lying West of the one hundredth meridian, known as the Public Land Strip, the county seat of which shall be at Beaver: *Provided*, That the county seats located by this act may be changed in such manner as the Territorial Legislature may provide.

At the first election for members of the Legislative Assembly the people of each county may vote for a name for such county, and the name which receives the greatest number of votes shall be the name of such county. If two or more counties should select the same name, the county which casts the greatest number of votes for such name shall be entitled to the same, and the names receiving the next highest number of votes in the other counties shall be the names of such counties. An apportionment shall be made by the Governor as nearly equal as practicable among the several counties or districts for the election of the Council and House of Representatives, giving to each section of the Territory representation in the ratio of its population (excepting Indians not taxed) as nearly as may be, and the members of the Council and House of Representatives shall reside in and be inhabitants of the district for which they may be elected,

respectively. Previous to the first election the Governor shall cause a census or enumeration of the inhabitants of the several counties or districts of the Territory to be taken, unless the same shall have been taken and published by the United States, in which case such census and enumeration shall be adopted, and the first election shall be held at such times and places and be conducted in such manner, both as to the persons who superintend such election and the returns thereof, as the Governor shall appoint and direct, and he shall at the same time declare the number of the members of the Council and House of Representatives to which each of the counties or districts shall be entitled, as shown by the census herein provided for.

The number of persons authorized to be elected, having the highest number of legal votes in each of said Council districts for members of the Council, shall be declared by the Governor to be duly elected to the Council, and the person or persons authorized to be elected, having the greatest number of votes for the House of Representatives equal to the number to which each county or district shall be entitled, shall be declared by the Governor to be elected members of the House of Representatives: *Provided*, That in case two or more persons voted for have an equal number of votes, and in case a vacancy otherwise occurs in either branch of their Legislative Assembly, the Governor shall order a new election, and the persons thus elected to the Legislative Assembly shall meet at such place and on such days as the Governor shall appoint, but after such first election, however, the time, place, and manner of holding elections by the people, and the apportionment of representation, and the day of commencement of the regular sessions of the Legislative Assembly shall be prescribed by law: *Provided, however*, That the Governor shall have power to call the Legislative Assembly together by proclamation, on an extraordinary occasion at any time.

SEC. 5. That all male citizens of the United States above the age of twenty-one years, and all male persons of foreign birth over said age, who shall have twelve months prior thereto, declared their intention of becoming citizens of the United States, as now required by law, who are actual residents at the time of the passage of this act of that portion of said Territory which was declared by the proclamation of the President to be open for settlement on the 22d day of April, A. D. 1889, and of that portion of said Territory heretofore known as the Public Land Strip, shall be entitled to vote at the first election in the Territory. At every subsequent election the qualifications of voters and of holding office shall be such as may be prescribed by the Legislative Assembly, subject, however, to the following restrictions on the power of the Legislative Assembly, namely: First. The right of suffrage and of holding office shall be exercised only by citizens of the United States above the age of twenty-one years, and by persons of foreign birth above that age who have declared, on oath, before a competent court of record, as required by the naturalization laws of the United States, their intention to become citizens, and have taken an oath to support the Constitution of the United States, and who shall have been residents of the United States for the term of twelve months before the election at which they offer to vote. Second. There shall be no denial of the elective franchise or of holding office to a citizen on account of race, color, or previous condition of servitude. Third. No officer, soldier, seaman, marine, or other person in the Army or Navy, or attached to troops in the service of the United States, shall be allowed to vote in said Territory by reason of being on service therein. Fourth. No person belonging to the Army or Navy shall be elected to, or hold, any civil office or appointment in said Territory.

SEC. 6. That the legislative power of the Territory shall extend to all rightful subjects of legislation not inconsistent with the Constitution and laws of the United States, but no law shall be passed interfering with the primary disposal of the soil; no tax shall be imposed upon the property of the United States, nor shall the lands or other property of non-residents be taxed higher than the lands or other property of residents, nor shall any law be passed impairing the right to private property, nor shall any unequal discrimination be made in taxing different kinds of property, but all property subject to the taxation shall be taxed in proportion to its value: *Provided*, That nothing herein shall be held to prohibit the levying and collecting license or special taxes in the Territory, from persons engaged in any business therein, if the legislative power shall consider such taxes necessary. Every bill which shall have passed the Council and the House of Representatives of said Territory shall, before it becomes a

law, be presented to the Governor of the Territory. If he approve he shall sign it, but if not, he shall return it, with his objections, to the house in which it originated, who shall enter the objections at large upon their journal and proceed to reconsider it. If, after such reconsideration, two-thirds of that house shall agree to pass the bill, it shall be sent, together with the objections, to the other house, by which it shall likewise be reconsidered, and if approved by two-thirds of that house, it shall become a law. But in all such cases the vote of both houses shall be determined by yeas and nays to be entered on the journal of each house, respectively. If any bill shall not be returned by the Governor within five days (Sunday excepted) after it shall have been presented to him, the same shall be a law in like manner as if he had signed it, unless the assembly, by adjournment, prevent its return, in which case it shall not be a law.

SEC. 7. That all township, district, and county officers not herein otherwise provided for, shall be appointed or elected, as the case may be, in such manner as shall be provided by the Governor and Legislative Assembly of the Territory. And whenever in said laws of Arkansas the word "State" or the words "State of Arkansas" are used, the word "Territory" or the words "Indian Territory" may be substituted therefor, for the purposes of this act, and for the purpose of making said laws of Arkansas applicable to the said Indian Territory; but all prosecutions therein shall run in the name of the "United States."

SEC. 33. That the provisions of chapter 45 of the said general laws of Arkansas, entitled "Criminal law," except as to the crimes and misdemeanor mentioned in the provisos to this section, and the provisions of chapter 46 of said general laws of Arkansas, entitled "Criminal procedure," as far as they are applicable, are hereby extended over and put in force in the Indian Territory, and jurisdiction to enforce said provisions, is hereby conferred upon the United States court therein: *Provided*, That in all cases where the laws of the United States and the said criminal laws of Arkansas have provided for the punishment of the same offenses the laws of the United States shall govern as to such offenses: *And provided further*, That the United States circuit and district courts, respectively, for the western district of Arkansas and the eastern district of Texas, respectively, shall continue to exercise exclusive jurisdiction as now provided by law in the Indian Territory as defined in this act, in their respective districts as heretofore established, over all crimes and misdemeanors against the laws of the United States applicable to the said Territory, which are punishable by said laws of the United States by death or by imprisonment at hard labor, except as otherwise provided in the following sections of this act.

SEC. 34. That original jurisdiction is hereby conferred upon the United States court in the Indian Territory to enforce the provisions of Title XXVIII, chapters 3 and 4, of the Revised Statutes of the United States, in said Territory, except the offenses defined and embraced in sections 2142 and 2143: *Provided*, That as to the violations of the provisions of section 2139 of said Revised Statutes, the jurisdiction of said court in the Indian Territory shall be concurrent with the jurisdiction exercised in the enforcement of such provisions by the United States courts for the western district of Arkansas and the eastern district of Texas: *Provided*, That all violations of said chapters 3 and 4 prior to the passage of this act shall be prosecuted in the said United States courts, respectively, the same as if this act had not been passed.

SEC. 36. That jurisdiction is hereby conferred upon the United States court in the Indian Territory over all controversies arising between members or citizens of one tribe or nation of Indians and the members or citizens of other tribes or nations in the Indian Territory, and any citizen or member of one tribe or nation who may commit any offense or crime against the person or property of a citizen or member of another tribe or nation, shall be subject to the same punishment in the Indian Territory as he would be if both parties were citizens of the United States. And any member or citizen of any Indian tribe or nation in the Indian Territory shall have the right to invoke the aid of said court therein for the protection of his person or property as against any person not a member of the same tribe or nation, as though he were a citizen of the United States.

SEC. 37. interest in any lottery or scheme of chance, or shall open or establish, as owner or otherwise, any lottery or scheme of chance in said Territory, or shall be in anywise concerned in any lottery or scheme of chance, by acting as owner or agent in said Territory for or on behalf of any lottery or scheme of chance, to be drawn, paid or carried on, either out of or within said Territory, every such person shall be deemed guilty of a misdemeanor, and, on conviction thereof, shall be fined for the first offense not exceeding $500, and for the second offense shall, on conviction, be fined not less than $500 and not exceeding $5,000, and he may be imprisoned, in the discretion of the court, not exceeding one year. And jurisdiction to enforce the provisions of this section is hereby conferred upon the United States court in said Indian Territory, and all persons therein, including Indians and members and citizens of Indian tribes and nations, shall be subject to its provisions and penalties.

SEC. 38. The clerk and deputy clerks of said United States court shall have the power within their respective divisions to issue marriage licenses or certificates and to solemnize marriages. They shall keep copies of all marriage licenses or certificates issued by them, and a record book in which shall be recorded all licenses or certificates after the marriage has been solemnized, and all persons authorized by law to solemnize marriages shall return the license or certificate, after executing the same, to the clerk or deputy clerk who issued it, together with his return thereon. They shall also be *ex officio* recorders within their respective divisions, and as such they shall perform such duties as are required of recorders of deeds under the said laws of Arkansas, and receive the fees and compensation therefor which are provided in said laws of Arkansas for like service: *Provided*, That all marriages heretofore contracted under the laws or tribal customs of any Indian nation now located in the Indian Territory are hereby declared valid, and the issue of such marriages shall be deemed legitimate and entitled to all inheritances of property or other rights, the same as in the case of the issue of other forms of lawful marriage: *Provided further*, That said chapter 103 of said laws of Arkansas shall not be construed so as to interfere with the operation of the laws governing marriage enacted by any of the civilized tribes, nor to confer any authority upon any officer of said court to unite a citizen of the United States in marriage with a member of any of the civilized nations until the preliminaries to such marriage shall have first been arranged according to the laws of the nation of which said Indian person is a member: *And provided further*, That where such marriage is required by law of an Indian nation to be of record, the certificate of such marriage shall be sent for record to the proper officer, as provided in such law enacted by the Indian nation.

SEC. 39. That the United States court in the Indian Territory shall have all the powers of the United States circuit courts or circuit court judges to appoint commissioners within said Indian Territory, who shall be learned in the law, and shall be known as United States commissioners; but not exceeding three commissioners shall be appointed for any one division, and such commissioners when appointed shall have, within the district to be designated in the order appointing them, all the powers of commissioners of circuit courts of the United States. They shall be *ex officio* notaries public, and shall have power to solemnize marriages. The provisions of chapter 91 of the said laws of Arkansas, regulating the jurisdiction and procedure before justices of the peace, are hereby extended over the Indian Territory; and said commissioners shall exercise all the powers conferred by the laws of Arkansas upon justices of the peace within their districts; but they shall have no jurisdiction to try any cause where the value of the thing or the amount in controversy exceeds $100.

Appeals may be taken from the final judgment of said commissioners to the United States court in said Indian Territory in all cases and in the same manner that appeals may be taken from the final judgments of justices of the peace under the provisions of said chapter 91. The said court may appoint a constable for each of the commissioner's districts designated by the court, and the constable so appointed shall perform all the duties required of constables under the provision of chapter 24 and other laws of the State of Arkansas. Each commissioner and constable shall execute to the United States, for the security of the public, a good and sufficient bond, in the sum of $5,000, to be approved by the judge appointing him, conditioned that he will faithfully discharge the duties of his office and account for all moneys coming into his hands, and

he shall take an oath to support the constitution of the United States and to faithfully perform the duties required of him.

The appointments of United States commissioners by said court held at Muscogee, in the Indian Territory, heretofore made, and all acts in pursuance of law and in good faith performed by them, are hereby ratified and validated.

SEC. 40. That persons charged with any offense or crime in the Indian Territory, and for whose arrest a warrant has been issued, may be arrested by the United States marshal or any of his deputies, wherever found in said Territory, but in all cases the accused shall be taken, for preliminary examination, before the commissioner in the judicial division whose office or place of business is nearest by the route usually traveled to the place where the offense or crime was committed; but this section shall apply only to crimes or offenses over which the courts located in the Indian Territory have jurisdiction: *Provided*, That in all cases where persons have been brought before a United States Commissioner in the Indian Territory for preliminary examination, charged with the commission of any crime therein, and where it appears from the evidence that a crime has been committed, and that there is probable cause to believe the accused guilty thereof, but that the crime is one over which the courts in the Indian Territory have no jurisdiction, the accused shall not, on that account, be discharged, but the case shall be proceeded with as provided in section 1014 of the Revised Statutes of the United States.

SEC. 41. That the Judge of the United States court in the Indian Territory shall have the same power to extradite persons who have taken refuge in the Indian Territory, charged with crimes in the States or other Territories of the United States, that may now be exercised by the Governor of Arkansas in that State, and he may issue requisitions upon Governors of States and other Territories for persons who have committed offenses in the Indian Territory, and who have taken refuge in such States or Territories.

SEC. 42. That appeals and writs of error may be taken and prosecuted from the decisions of the United States court in the Indian Territory to the Supreme Court of the United States in the same manner and under the same regulations as from the circuit courts of the United States, except as otherwise provided in this act.

SEC. 43. That any member of any Indian tribe or nation residing in the Indian Territory may apply to the United States court therein to become a citizen of the United States, and such court shall have jurisdiction thereof and shall hear and determine such application as provided in the statutes of the United States; and the Confederated Peoria Indians residing in the Quapaw Indian agency, who have heretofore or who may hereafter accept their land in severalty under any of the allotment laws of the United States, shall be deemed to be, and are hereby, declared to be citizens of the United States from and after the selection of their allotments, and entitled to all the rights, privileges, and benefits as such, and parents are hereby declared from that time to have been and to be the legal guardians of their minor children without process of court: *Provided*, That the Indians who become citizens of the United States under the provisions of this act do not forfeit or lose any rights or privileges they enjoy or are entitled to as members of the tribe or nation to which they belong.

SEC. 44. That the following sum, or so much thereof as may be necessary, is hereby appropriated, out of any money in the Treasury not otherwise appropriated, to be disbursed under the direction of the Attorney General of the United States, in the same manner that similar appropriations are disbursed in the other Territories of the United States, namely:

To pay the actual traveling and other expenses of the Judge of the United States court holding court in said Indian Territory other than at Muscogee; to pay for the rent of buildings for the court; to provide jails and support prisoners; to pay mileage and per diem of jurors and witnesses; to provide books, records, and stationery for the judicial offices for the remainder of the fiscal year ending June 13, 1890, the sum of $10,000.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That so much of the public lands situate in the Territory of Oklahoma now open to settlement, as may be necessary to embrace all the legal subdivisions covered by actual occupancy for purposes of trade and business, not exceeding 1,280 acres in each case, may be entered as town sites, for the several use and benefit of the occupants thereof, by three trustees to be appointed by the Secretary of the Interior for that purpose, such entry to be made under the provisions of section 2387 of the Revised Statutes as near as may be; and when such entry shall have been made, the Secretary of the Interior shall provide regulations for the proper execution of the trust by such trustees, including the survey of the land into streets, alleys, squares, blocks, and lots when necessary, or the approval of such survey as may already have been made by the inhabitants thereof, the assessment upon the lots of such sum as may be necessary to pay for the lands embraced in such town site, costs of survey, conveyance of lots, and other necessary expenses, including compensation of trustees: *Provided*, That the Secretary of the Interior may, when practicable, cause more than one town site to be entered and the trust thereby created executed in the manner herein provided by a single board of trustees, but not more than seven boards of trustees in all shall be appointed for said Territory, and no more than two members of any of said boards shall be appointed from one political party.

SEC. 2. That in the execution of such trust, and for the purpose of the conveyance of title by said trustees, any certificate or other paper evidence of claim duly issued by the authority recognized for such purpose by the people residing upon any town site the subject of entry hereunder shall be taken as evidence of the occupancy by the holder thereof of the lot or lots therein described, except that where there is an adverse claim to said property such certificate shall be only *prima facie* evidence of the claim of occupancy of the holder: *Provided*, That nothing in this act contained shall be so construed as to make valid any claim now invalid of those who entered upon and occupied said lands in violation of the laws of the United States or the proclamation of the President thereunder: *Provided further*, That the certificates hereinbefore mentioned shall not be taken as evidence in favor of any person claiming lots who entered upon said lots in violation of law or the proclamation of the President thereunder.

SEC. 3. That lots of land occupied by any religious organization, incorporated or otherwise, conforming to the approved survey within the limits of such town site, shall be conveyed to or in trust for the same.

SEC. 4. That all lots not disposed of as hereinbefore provided for shall be sold under the direction of the Secretary of the Interior for the benefit of the municipal government of any such town, or the same or any part thereof may be reserved for public use as sites for public buildings, or for the purpose of parks, if in the judgment of the Secretary such reservation would be for the public interest, and the Secretary shall execute proper conveyances to carry out the provisions of this section.

SEC. 5. That the provisions of sections 4, 5, 6 and 7 of an act of the Legislature of the State of Kansas entitled "An Act relating to town sites," approved March 2, 1868, shall, so far as applicable, govern the trustees in the performance of their duties hereunder.

SEC. 6. That all entries of town sites now pending on application hereafter made under this act shall have preference at the local land office of the ordinary business of the office and shall be determined as speedily as possible, and if an appeal shall be taken from the decision of the local office in any such case to the Commissioner of the General Land Office, the same shall be made special, and disposed of by him as expe-

ditiously as the duties of his office will permit, and so if an appeal should be taken to the Secretary of the Interior. And all applications heretofore filed in the proper land office shall have the same force and effect as if made under the provisions of this act, and upon the application of the trustees herein provided for such entries shall be prosecuted to final issue in the names of such trustees, without other formality, and when final entry is made the title of the United States to the land covered by such entry shall be conveyed to said trustees for the uses and purposes herein provided.

SEC. 7. That the trustees appointed under this act shall have the power to administer oaths, to hear and determine all controversies arising in the execution of this act, shall keep a record of their proceedings, which shall, with all papers filed with them, and all evidence of their official acts, except conveyances, be filed in the General Land Office and become part of the records of the same, and all conveyances executed by them shall be acknowledged before an officer duly authorized for that purpose. They shall be allowed such compensation as the Secretary of the Interior may prescribe, not exceeding ten dollars per day while actually employed; and such traveling and other necessary expenses as the Secretary may authorize, and the Secretary of the Interior shall also provide them with necessary clerical force by detail or otherwise.

SEC. 8. DR. S. J. HARDIN,

An expert in medical science, has specially prepared the following remedies, so compounded as to meet the special climatic conditions of the Southwest:

Hardin's Blood Medicine or Female Tonic,

Cures all diseases of the blood, liver and kidneys; indigestion, headache and dyspepsia. A positive cure for female weakness, it has no equal for painful menstruation, suppressed menstrual flow, leucorrhea, change of life and all irregularities of the menstrual organs, not caused by malformations or any disease requiring surgical treatment. It positively removes all obstructions from the urinary organs. It wonderfully assists young women while attaining maturity or passing the critical period of developing into womanhood.

Hardin's Sarsaparilla for the Blood,

Cures headache, indigestion, biliousness, dyspepsia, nervous prostration, malaria, chills and fever, general debility, pain in the back and side, tired feeling, constipation, kidney and liver trouble, neuralgia, rheumatism, and generally all diseases that result from impure blood. This remedy is so prepared as to utilize all the well-known curative properties of Sarsaparilla.

Hardin's Sweet Flag Cough Syrup,

A certain cure for coughs, colds, asthma, phthisic, bronchitis and incipient consumption.
