Oklahoma Historical Society ***Research Center***

JUNE 21 Civil War Research

Nancy Calhoun, genealogy librarian for the Muskogee Public Library, will help researchers identify available Civil War-related resources including books, free websites, and subscription websites. The program will cover both Union and Confederate materials, where the records are located and how they can be accessed, and how to “walk in the footprints” of your ancestors.

JULY 19 Mysteries of the Manuscripts

OHS Manuscripts Archivist Mallory Covington will speak about the materials included in the manuscript collection and how to use the collection for historical, genealogical, and general research. Mallory will also explain how to search and understand the catalog. She will explore some of the newer collections that OHS has received and processed and the various indexes available.

AUGUST 16 Oklahoma County Sheriff's Office Records

Deputy Bradley Wynn is the curator of a new collection at the Oklahoma County Sheriff's Office. His efforts have amassed thousands of artifacts and historical documents which are seeing the light for the first time in more than 125 years. This program explores how his agency is preserving and curating this unique collection, from original sheriff's journals and jail ledgers to historic firearms and uniforms.
