Pioneer Woman Museum
Ponca City, Oklahoma
The museum preserves the legacy of women from all races, creeds and nationalities who have contributed to the development of Oklahoma.

The museum’s education center features craft demonstrations, special exhibits and the Pioneer Woman Wall of Fame. The museum is dedicated to the enduring spirit of women - past, present, and future - who see no boundaries.

The Pioneer Woman Statue is a heroic bronze of a young, sun-bonneted pioneer mother, protectively leading her son by the hand, striding confidently, head held high - a young woman of sturdy beauty and dignity whose eyes are fixed on the far southwestern horizon. Courage, determination, and humility are in her face. A bible is in her hand. The bronze cast is 17-feet high and weighs 12,000 pounds. Total height is 30 feet.
