

Help the USS *Oklahoma*!

The USS *Oklahoma* had started a world tour, when its compass suddenly broke!

1. Fill in the missing directions on the USS *Oklahoma*'s compass
2. After you've filled in the compass, finish filling the line from Start to Stop #1.
Is the USS *Oklahoma* going north or south?

3. Now, with your finger, trace the lines that show the USS *Oklahoma*'s trip from Stop #1 all the way through to Stop #6. Once you've done that, fill in the lines from Stop #1 all the way through to Stop #6.

On this part of the trip, did the USS *Oklahoma* ever travel east?

4. The USS *Oklahoma* finally made it home to Stop #6!

Is the USS *Oklahoma* north or south of where it started?

Is Stop #6 east or west of the Start?

Help the USS *Oklahoma*!
