

## **JIM NOBLE (1868-1945)**

Mr. Noble came to Oklahoma from Camden, Arkansas. He is remembered for doing something special in history. On June 12, 1910, he helped make Oklahoma City the State Capitol. He helped to carry the State Seal to Oklahoma City. Some people did not want the State Seal to leave Guthrie so soon. Mr. Noble took great risk to get this accomplished. State flags were lowered to honor him following his death.
