

Perspectives in The Oklahoma History Symposium History

April 22, 2023 | Oklahoma History Center | Oklahoma City

The Oklahoma History Symposium is presented by the Oklahoma Historical Society. It offers scholars, historians, authors, and museum professionals from across the state and country a forum to share their work. The theme is “Perspectives in History,” and the submission deadline is November 30, 2022.

Name _____

Email _____ Phone _____

Title and organization _____

Title of session _____

Session type

Sessions will either be 30 or 50 minutes in length, including ten minutes for audience Q&A. Visual aids are recommended but not required.

- Traditional presentation
- Research session
- Discussion session
- Panel discussion (limit five participants)

Description of session (250 words maximum)

Biographical information (university/organizational affiliations, major works or publications, etc.)

Include the names, titles, and organizations of all additional participants (if applicable—limit five participants)

Equipment

Session rooms will include a Windows PC laptop and projector or TV screen. There is internet access available. We prefer that you use our equipment. However, if you bring your own, it must be in place before your session begins. If you wish to use a Mac computer, you will need to supply any necessary cables, adapters, or equipment. We will assume that you will require no assistance in the set up or operation of such equipment.

Does your presentation include a PowerPoint? If yes, we will need a copy by Friday, April 14.

Yes No

Does your presentation require sound?

Yes No

Does your presentation require any additional equipment? We may not be able to grant all requests.

Proposals may be emailed to:

Larry O'Dell
Director of Communications and Development
