

Oklahoma History Conference presented by the Oklahoma Historical Society

"Perspectives in History" | April 21-23, 2021 | Norman, Oklahoma

Proposal Submission Form

The 2021 Oklahoma History Conference will be held April 21-23, 2021, at the NCED Marriott Conference Center and Hotel in Norman, Oklahoma. The conference is organized by the Oklahoma Historical Society (OHS) and offers scholars, historians, and authors from across the state and country a forum to share their work with history enthusiasts. This year's theme is "Perspectives in History."

Deadline for submissions

November 30, 2020

Name _____

Email _____ Phone _____

Title and organization _____

Title of session _____

Session type

All sessions will be 45 minutes in length. Visual aids are recommended but not required.

Traditional presentation

Research session

Discussion session

Lightning talk

Description of session (250 words maximum)

Biographical information (university/organizational affiliations, major works or publications, etc.)

Names of other participants (if applicable)

Equipment

Each session room will include a Windows PC laptop and projector or TV screen. There is internet access available. We prefer that you use our equipment. However, if you bring your own, it must be in place before your session begins. If you wish to use a Mac computer, you will need to supply any necessary cables, adapters, or equipment. We will assume that you will require no assistance in the set up or operation of such equipment.

Does your presentation include a PowerPoint? If yes, we will need a copy of the PowerPoint by Monday, April 12.

Yes No

Does your presentation require sound?

Yes No

Does your presentation require any additional equipment? (We may not be able to grant all requests.)

Conference format

Currently, the conference is expected to be held in-person and streamed live. The format may become entirely virtual, contingent on the COVID-19 pandemic.

Have you used online meeting/presentation platforms (e.g., Zoom, Google Meet, GoToMeeting)?

Yes No

Do you have a reliable internet connection and access to a device with a microphone and camera?

Yes No

Proposals may be emailed to
