OKLAHOMA SHPO CONSULTATION FORM

Project Name (from first page): \_\_\_\_\_

Identification of Historic Properties: Archeology

Does this project involve ground-disturbing activity? Yes No (skip to next section)

Describe the nature of the ground-disturbing activity, including but not limited to depth, width, and length.

Describe the previous and current land use, conditions, and disturbances.

Identification of Historic Properties: Structures

Does the project area or area of potential effects include buildings, structures, or designed landscape features (such as parks or cemeteries) that are 45 years of age or older?

Yes No

Is the project area of potential effects within or adjacent to a property or district that is listed in or eligible for listing in the National Register of Historic Places?

Yes No Unknown

In the space below or as an attachment, describe each building, structure, or landscape feature within the project area or area of potential effect that is 45 years of age or less. For those 45 years or older, a Historic Preservation Resource Identification (HPRID) Form must be submitted for each building, structure, or landscape feature. Please use an additional page for additional properties, if necessary.

Address	Date of Construction	Source for Construction Date
_____	_____	_____
_____	_____	_____
_____	_____	_____

More on additional page.
