REQUEST FOR PROPOSALS
ARCHITECTURAL/HISTORIC SURVEY OF
DOWNTOWN COLLINSVILLE IN TULSA COUNTY

Project Number 23-404

I. INTRODUCTION
The Oklahoma Historical Society, State Historic Preservation Office (OK/SHPO), is soliciting proposals for an architectural/historic survey of Downtown Collinsville, on Main Street/Highway 20, from the railroad tracks on the east, North 13th Street on the west, and bound by the alleys to the north and south (see attached map). This project will emphasize the recording of no more than 100 extant properties at a minimum level of documentation and is designed to provide a cost-effective approach for increasing not only the area inventoried within the state but also the number of recorded properties. The results obtained are expected to provide information useful in making management decisions about properties potentially eligible for the National Register of Historic Places.

The purpose of the survey is to locate, identify, and document buildings within the state that warrant further study for nomination to the National Register of Historic Places and to develop a context in which to evaluate the resources.

This architectural/historic survey will be accomplished as part of the ongoing Oklahoma Comprehensive Survey Program, supported by state and federal funds. The overall purpose of this program is to increase the area surveyed within the state, identify potential districts, structures, buildings, objects, and sites for inclusion in the National Register, and facilitate review of federal projects under Section 106 of the National Historic Preservation Act.
The successful applicant for this project will be a Subgrantee of the Oklahoma Historical Society, State Historic Preservation Office. Funding is from the National Park Service, Historic Preservation Fund. An estimated $15,000 will be needed for completion of this project. No match is required.

II. WORK TO BE ACCOMPLISHED

The project consists of an architectural/historic survey of buildings associated with Collinsville commercial development in Tulsa County. The survey shall be completed in accordance with the Secretary of the Interior's Standards and Guidelines for Identification and Evaluation, Architectural/Historic Resource Survey: A Field Guide (available online at http://www.okhistory.org/shpo/architsurveys/fieldguide.pdf), and the products delivered to the OK/SHPO will consist of and be organized in accordance with the Oklahoma Architectural/Historic Survey Requirements available online at http://www.okhistory.org/shpo/surveyrequirements.htm (hard copies available from the OK/SHPO upon request).
