

MEMORANDUM OF AGREEMENT

Whereas, the Soil Conservation Service has determined that site 4M in the Robinson Creek watershed project will have an effect upon archeological site 34Ln-76 which has been determined eligible for nomination to the National Register of Historic Places and has requested the comments of the Advisory Council on Historic Preservation pursuant to section 106 of the National Historic Preservation Act (16 U.S.C. 470) and its implementing regulations, "Protection of Historic and Cultural Properties"(36CFR, Part 800).

Now, therefore, the Soil Conservation Service, the Oklahoma Historic Preservation Office, the Oklahoma Archeological Survey, the Oklahoma Conservation Commission, and the Advisory Council on Historic Preservation agree that the undertaking shall be implemented in accordance with the following stipulations and the attached mitigation proposal:

Stipulation                    The Soil Conservation Service shall provide one percent of the total federal cost of the project in the amount of \$8,600 (eight thousand six hundred dollars) toward mitigation of effects on archeological site 34Ln-76.

Stipulation                    The Oklahoma Conservation Commission shall provide the remainder of the funds necessary to complete the work described in the attached mitigation plan and shall implement the plan in consultation with the State Archeologist and State Historic Preservation Officer.

Execution of this Memorandum of Agreement confirms that the Soil Conservation Service has afforded the Council a reasonable opportunity to comment on the Robinson Creek watershed project and its effects on archeological site 34Ln-76 and that the Soil Conservation Service has taken into account the effects of its undertaking on this property.
