

OKLAHOMA CENTENNIAL FARM & RANCH PROGRAM

FAMILY HISTORY & GENEALOGY QUESTIONNAIRE

The State Historic Preservation Office has initiated a project mapping the settlement patterns of our centennial farm & ranch families. The goal of this project is to document the communities developed by groups of people as they settled across the state and identify the histories associated with each. If your property has been recognized as an Oklahoma Centennial Farm & Ranch Program recipient, and you would like to share your family's history, please fill out this questionnaire and return it by clicking the Email button on this form to send the completed form by email or by clicking Print and mailing it to Oklahoma Centennial Farm & Ranch Program, Attn: Shea Otley, 800 Nazih Zuhdi Drive, Oklahoma City, OK 73105. Our staff thanks you for your participation and looks forward to sharing the results of this project as they become available.
